Out of the Pits, Inc. is a registered 501(c)(3) not-for-profit organization
www.outofthepits.org ~ PO Box 2311 ~ Albany, NY 12220 ~ (518) 448-6487

All members of our organization are volunteers, and 100% of all donations are dedicated to saving the dogs.
Your donations pay for their food, housing, and veterinary care. IRS authorization number is 16-1560721.
Right now, we are able to save only a small percentage of the abandoned and abused Pit Bulls that we are asked
to accept into our program every day. Many must be turned away only because we lack sufficient funding.
Your contribution will help save a dog's life.
